

## **Value Oriented Activity 9**

### **Exhibit Values through Creative Skills**

**Description of the game;** in a box have some toy creatures, toy objects and people.

**Level 1;** the child takes this box of toy things and sit quietly to create an incident or story, to highlight a value.

**Level 2;** Here the child will be drawing incident, and talk about it.

**Level 3;** the children can write an incident or a story to highlight a sub value.

**This creates awareness about the actions in the surroundings.**
