

# Right Choice

The Glowing ball of sun  
 Stretching all over its hands  
 Enjoying summer as fun  
 The hot air in the little hamlet  
 Sucks all the water of little  
 Puddles, around the huge well  
 Oh! What a hard toil.  
 Two black birds had to slog  
 Couldn't quench their thirst  
 Two little pots, struck their eyes  
 AH! Couldn't reach, clear water  
 Only balls of stones and mud,  
 Decided to drop the balls  
 To raise the clear water.

## Values

## Negative Qualities

### HOW OUR ACTIONS AND FEELINGS BUILD OUR PERSONALITIES

One felt, quick work is done,  
 Other felt, good work is done,  
 One went fast, one went slow,  
 The muddy water, it's waste  
 Feeble voice says from the head,  
 "Struggle for the best"  
 "Soon the other gains strength"  
 "Let's share it together"

"Struggle for the best"  
 "Soon the other gains strength"  
 "Let's share it together"  
 Oh! Parents, it's choice of yours  
 Fill the pure little pots of values  
 Raise the water of Divinity.
